Yourself

You were sent your Parchment code to your school email today and August 29.

Check your school email for your Parchment Code.

You can use this code today to speed up creating a Parchment account to be able to send your transcripts.

You can print your own transcript to complete applications.

Some colleges (like the University of Illinois) require students to self-report their grades and test scores.

Some scholarships require students to self-report their grades and test scores.

Your “Official test scores” vs test scores

Your SAT and ACT test scores will be on your transcript.

The majority of colleges accept the test scores on your transcript for admission purposes.

However, some colleges want the SAT and ACT scores sent directly from the testing company. It is considered an official test score if it is sent directly from the test company.

If this is the case you will need to go to the testing company’s website to request your scores be sent.

A navigation bar contains links for "GUIDANCE HOME", "COURSE GUIDE", "SKYWARD LOGIN", "STAFF", "F.A.Q.'s", "SITE SEARCH", "CONTACT", and "MSHS HOME". On the left is a vertical menu with links to "careers", "college", "course selection", "dual credit", "eligibility", "financial aid", "g.p.a.", "graduation", "military", "ncaa", "opportunities", "parents", "recognition", and "resources". The main content area features a "SENIOR INFORMATION" banner with a background of graduation caps. TRANSCRIPT REQUESTS

Mahomet-Seymour CUSD #3 has partnered with Parchment, a leader in e-Transcript exchange, to send high school transcripts electronically, securely and confidentially. The service is available online, 24 hours a day and seven days a week.

Current students will receive a Parchment account registration code from Mrs. Shore in order to setup their Parchment account. Parchment will be updated at the end of each semester with the most current transcript information.

Students and alumni simply request a transcript and designate the academic institution, organization or individual that they would like to receive it. Parchment users will be notified when their transcript request is complete. Users can also track the status of their request or view a saved copy of their transcript.
