Course Availability

All courses require a sufficient number of student registrants. If there is not sufficient interest in a particular course or a teacher cannot be hired then the course will not be provided during summer school.

Course Enrollment

There will be a cap of 25-35 students per class (depending on the class) on a first-come-first-served basis. Other students will be placed on a waiting list. Payment secures your place in a course and will be cashed when enrollment letters are sent out. Enrollment confirmation letters will be mailed in early May once rosters are finalized and teachers have been hired.

Refunds

There will be no full refunds.

One-half the tuition will be refunded if a student cancels before June.

No refund will be given after the class has started or for "no-shows."

Attendance Policy

Because of the compact and accelerated nature of summer school classes, it is vital that students be in attendance every day.

- One absence per semester is allowed. Any student who is absent twice in one semester, regardless of the reason, will forfeit the credit and fees and be dismissed from the class.
- Tardies (10 minutes or less) – 3 tardies will count as ½ day absence
- Late (more than 10 minutes) – will count as ½ day absence
- **Daily attendance is mandatory and classes are in session on July 4th.**

Cost Per Session

Speech: \$90 / Driver Education: \$55 / PE: \$150

Enrollment and payment may be completed online via the Mahomet-Seymour High School Online Store beginning January 25, 2018.
